

Florida Local Government Information Systems Association Deputy District Director Resolution

By resolution of the FLGISA Board of Directors, the Board determines it is necessary for each District Director to appoint a Deputy District Director (Deputy) to perform the duties of the District Director in his/her absence and assist the District Director in all activities of the district in order to insure timely and efficient operation and management of the district and to further the goals and mission of the FLGISA. Each District Director shall appoint a Deputy for his/her district and the Deputy shall serve until the end of the District Director's term or until removed from that position.

The Deputy is invited to attend all board meetings via teleconference and shall represent the district at any Board meeting that the District Director is unable to attend in a non-voting capacity.

Approved by the FLGISA Board of Directors on September 9, 2016.
